

Tanzania - Dar Es Salaam Signature

March 15, 2026 — March 21, 2026

Starting at: \$3,200

OVERVIEW

The Need

During this trip, you will experience the vibrant culture of Dar es Salaam while caring for communities in both urban and underserved coastal settings. While Tanzania once offered free healthcare, that policy ended in 2001. Today, many citizens find the national health insurance program unaffordable, leaving large populations without access to consistent medical care.

This mission provides a meaningful opportunity to serve residents in informal settlements, public clinics, and partner organizations that support children and women. Dar es Salaam is one of the fastest-growing cities in Africa, yet it still faces a significant shortage of medical providers—with just 0.31 doctors per 10,000 residents. Common health concerns in the region include neonatal complications, respiratory infections, HIV/AIDS, and chronic illnesses such as diabetes and hypertension.

Clinics will be held in five communities around Dar es Salaam, where we will focus on treating preventable and treatable conditions. Volunteers will provide care for cases involving malaria, diarrheal illness, sexually transmitted infections, and sepsis. A major emphasis of this mission is dental care, with high community demand due to limited access. Additionally, women's health will be a primary focus, including specialized support for maternal care, family planning, and infant wellness.

Our Work

In 2015, International Medical Relief began working in Tanzania with humanitarian partners who shared a common vision of providing healthcare to underserved communities. IMR was privileged enough to work with the Maasai people and learn more about their tribal traditions and lifestyle. Since 2015, IMR has held clinic missions in order to achieve IMR's goal of providing sustainable health care solutions to aid the tribes and other Tanzanian communities. These clinic missions have served nearly 6,000 patients through more than 200 staff and volunteers.

With diligent planning and preparation, IMR is dedicated to ensuring that specific goals are met on our missions, each in correlation to the United Nations Sustainable Development Goals 3 and 17.

IMR works to elevate vulnerable populations through shoulder-to-shoulder care with our local partners, creating workforce density, and a cadre of future healthcare and public health leaders in association to UNSDG 3: Good Health & Wellbeing.

In correlation with UNSDG 17: Partnerships for the Goals, our organization works in collaboration and at the request of local hosts where we are under their direct influence and affluence. IMR never goes into a country without a formal invitation where there is a great community need for medical or dental care, and health education.

This Mission

Tanzania is one of the world's most sought after places to visit. Fulfill your bucket list dream by providing medical care to some of the 120 ethnic groups surviving in this culture-rich indigenous country. You will have a first hand opportunity to help those without health care in an amazing East African country.

IMR teams are able to work with communities in Tanzania to provide health care services and equipment, but also to provide education to create a more sustainable and long lasting impact towards the wellbeing of that community. International Medical Relief (IMR) goal is to continue to improve health outcomes of the communities we serve and focus on prevention, health, nutrition, and strengthening health systems through partnerships with local medical staff.

Lodging/Transportation

You have chosen the SIGNATURE TRIP which includes upgraded lodging. Your hotel will be a 3-4 star accommodation with all the comforts that has to offer – impeccable service, beautiful surroundings, and all of the amenities. Returning here will make the perfect end to your perfect days in clinic! Note: accommodation is based on double occupancy. You'll be based in Dar es Salaam, a vibrant coastal city where turquoise waters meet bustling markets and rich cultural traditions. Each day, you'll travel to surrounding neighborhoods and underserved communities to provide much-needed medical care. In the evenings, you'll return to the comfort of your accommodations, enjoy flavorful local cuisine, and experience the hospitality that makes Tanzania so special.

ITINERARY

Arrivals & Orientation

You and the team will fly into Julius Nyerere International Airport (DAR). Please plan to arrive by 2:00pm EAT (Eastern Africa Time). Upon arrival, you will transfer to your hotel in Dar es Salaam, just a short drive away. Check into your hotel room and enjoy a welcome dinner with the team. After dinner, you'll attend the

team orientation to prepare you for the upcoming week of clinic. Your team leader will assign roles for clinic, address IMR's clinic protocols, and discuss the communities you will be serving in Tanzania.

Monday, March 16, 2026

Clinic

Your first day of clinic! Breakfast will be provided at your hotel each morning. You'll be providing care in several different locations during your time in Tanzania.

Tuesday, March 17, 2026

Clinic

Today, you will spend another day serving the communities around Dar es Salaam. Your days will be long and hard but incredibly rewarding!

Wednesday, March 18, 2026

Clinic

One of the focuses of this mission is dentistry. Because all community members are encouraged to attend, the demand for dental care will be high. Another focus of this mission is women's healthcare, so we will offer special clinic care for women and their infants.

Thursday, March 19, 2026

Clinic

Lower respiratory infections, diarrheal diseases, malaria, STDs, and sepsis are all part of the top 10 causes of death in Tanzania.

Friday, March 20, 2026

Free Day

Spend your free day in Dar es Salaam discovering the region's rich wildlife at a nearby sanctuary, where you can observe native animals up close. Afterwards, unwind with a scenic walk through coastal villages and along the beach, offering a glimpse into daily life and the warm hospitality of the Tanzanian people. Interested in a safari? Highlights:

Itinerary:

Day 1: Travel to Zanzibár

Upon your arrival at the Zanzibár airport, you will be greeted by your guide and transferred to your hotel for check-in. Depending on what time you arrive, you may have time to explore the surrounding area's shops and waterfront.

Day 2: Guided Safari Blue Tour & Snorkeling

Today is a very exciting day. Your private transport will come by your hotel in the morning to pick you up and transfer you to Fumba Village. This is the departure point for your enthralling day aboard a guided safari boat tour, also known as a Blue Tour. You will visit three different sand banks, one of which will be where you'll enjoy a seafood lunch! Later, you will have the chance to do some snorkeling and possibly see dolphins.

Day 3: Spice Farm Tour

Your private transport will pick you up this morning to take you to one of Zanzibár's infamous spice farms. You'll see the different types of spices and how they're grown. Plus, included in your tour is a tasting of seasonal fruits and lunch!

After your tour, you will head to town where you can explore Stone Town. You will have the chance to see the Slave market site, daily market, old fort, house of wonder, palace museum, and narrow streets. There will be time to do some shopping while you're here, so bring your money belt!

Day 4: Departure Home

Today is your last day! Enjoy your final breakfast before transporting to the airport for your onward journey and departure home.
