

Zambia - Victoria Falls Signature

June 28, 2026 — July 4, 2026

Starting at: \$4,300

OVERVIEW

The Need

Formerly a part of the Federation of Rhodesia and Nyasaland, Zambia is now a democratic republic located in the heart of Africa. While the tourism economy in Zambia is thriving, the quality of living for the country's native ethnic groups is suffering. Life expectancy at birth is

Our Work

International Medical Relief first served Zambia in 2016. Since then, IMR has served approximately 6,000 patients through nearly 200 staff and volunteers. IMR plans to continue to provide community health training, medical treatments, medical supplies and equipment, and clinic operations in order to provide sustainable health care to Zambia.

With diligent planning and preparation, IMR is dedicated to ensuring that specific goals are met on our missions, each in correlation to the United Nations Sustainable Development Goals 3 and 17.

IMR works to elevate vulnerable populations through shoulder-to-shoulder care with our local partners, creating workforce density, and a cadre of future healthcare and public health leaders in association to UNSDG 3: Good Health & Wellbeing.

In correlation with UNSDG 17: Partnerships for the Goals, our organization works in collaboration and at the request of local hosts where we are under their direct influence and affluence. IMR never goes into a country without a formal invitation where there is a great community need for medical or dental care, and health education.

This Mission

International Medical Relief has organized several trips to Zambia in the past. In our experience, clinic in Zambia is one of the busiest trips that our volunteers work. At clinic, you will treat entire family units, elderly patients, expectant mothers, and orphans. On your special clinic day, you will have the opportunity to work with prison or elderly populations. Because Zambia has the nineteenth highest death rate in the world, you can expect to care for many ailing patients. Common diseases that you will treat include conditions related to AIDS, infectious diseases, autoimmune disorders, and diarrhea.

You and the rest of the volunteer team will also educate locals on how to stay healthy and how to care for their loved ones. One of the main focuses of this mission is dentistry. Because dental pain is common here and because all community members are encouraged to attend, the demand for dental care will be high. We will have many local dental students and a professor at the dental school available to help translate and provide oral care.

Learn about a Special Project for this trip!

Lodging/Transportation

Your accommodations for this trip will be at a pleasant waterfront lodge. The site is fully equipped with a pool, walking trails, and an upscale restaurant. Since this is a signature trip, you also have the option to upgrade to a waterfront lodge in a nature park that houses both elephants and hippopotamuses. IMR will arrange safe and reliable transportation for the team to and from the airport and clinic. Although your car rides will be short, there will be ample scenery for you to enjoy!

Highlights

The highlight of this trip is serving patients who, without you and your team, would not have access to healthcare. In this humbling but rewarding service

opportunity, you will work with isolated communities who will be eager to connect with you. Aside from clinic, you will love seeing Victoria Falls and have the option to go on a safari to spot the Big Five. For the safari and walk, be sure you pack binoculars, camera, hat, sunscreen, sunglasses, and an area guidebook!

ITINERARY

This itinerary is subject to change without notice.

Please note: You will be notified about the group flight option prior to the Early Bird deadline. Domestic flight arrangements should not be made until after the group flight is booked.

If you choose to fly independently, transportation between your arrival airport and your IMR accommodation is not included. If you wish to arrange transportation, you can contact flights@worldwidenavigators.com.

*If you have any questions regarding flights, please contact flights@worldwidenavigators.com.
Thank you.*

Sunday, June 28, 2026

Arrivals

You and the rest of your volunteer team will land at the Harry Mwanga Nkumbula International Airport in Livingstone, Zambia. If you are traveling on the group flight or are purchasing airport transportation a la carte, you will board the transportation that will take you to your hotel to check-in by 5 PM for a team dinner. After dinner, your team leader will provide a general overview of the incredible days you have ahead!

Monday, June 29, 2026

Orientation & Training Day

Once you have socialized and dined with your team during breakfast, your team leader will dive right into orientation. During orientation, your leader will assign roles for the clinic, present IMR's clinic protocols, and provide an overview of the many communities your team will serve. You will also review the supplies, laboratory-testing protocols, and educational materials that you will need to understand for clinic. You and your team will provide training for local healthcare providers to continue IMR's long-term, sustainable education efforts. Education is as important as medical and dental care for our patients. Each clinic includes basic health education according to the specialties and skills of the IMR volunteers, as well as the needs of the local people. When communities become empowered to take health and wellness issues into their own hands, they become self-sufficient. IMR provides learning opportunities for the local

communities through classes and hands-on learning to sustain their well-being beyond our visit. After training, you will have the rest of the day to explore Livingstone Falls, shop or walk with the lions!

Tuesday, June 30, 2026

Clinic & Victoria Falls

Once you have indulged in a tasty and nutritious breakfast at your hotel, you will meet with the other volunteers assigned to your clinic. Today, you will travel for about one hour to reach the rural communities of Zambia. After a long but rewarding morning, your team will regroup for a transfer to the famous Victoria Falls! Here, you will pay witness to the Zambezi River's raging waters as they crash down into the beautiful Batoka Gorge. After walking through the rainforest, you will arrive at cliffs that overlook the truly stunning cascade.

Wednesday, July 1, 2026

Clinic

For your second day of clinic, you will return to the outskirts of Livingstone to treat even more patients than you did yesterday. By now, word of your team's great work will have spread and villagers will have traveled a long way to receive your medical treatment.

Thursday, July 2, 2026

Clinic

Because dental pain is common here and because all community members are encouraged to attend, the demand for dental care will be high. We will have many local dental students and a professor at the dental school available to help translate and provide oral care.

Friday, July 3 2026

Safari Day!

Explore the vibrant heart of Zambia by visiting a local craft market, where artisans showcase handwoven baskets and intricate wood carvings. Then take a walking tour through Lusaka's cultural sites or visit a community school to connect with local students and educators. To go on a safari, reach out to our partners, Worldwide Navigators.

Saturday, July 4, 2026

Departures

You will enjoy one final meal with your volunteer team before departing home. Return flights are available throughout the day, so you will want to budget your

time accordingly. If you're interested in extending your stay in Zambia, our partner Worldwide Navigators offers exclusive trip extensions just for IMR volunteers! See the Extensions tab on this page for details.

EXTENSIONS

You're journeying halfway across the globe. Why not extend your stay in Zambia to experience some of its top tourist attractions? Join us on an exclusive trip extension to visit some of the area's highlights.

You got a taste of the highlights around Zambia. This extension lets you experience even more!

Highlights:

Itinerary:

Day 1: Travel to Livingstone (Victoria Falls)

Located near the Zambezi River in southwestern Zambia, the bustling town of Livingstone is famous as the home of the magnificent Victoria Falls. One of the original natural wonders of the world, the World Heritage Site is known locally as The Smoke that Thunders. This spectacle is accessible from both Zambia and Zimbabwe and is an ideal place to combine game viewing and water sports. There is much to do including excellent fishing, a thrilling bungee jump and arguably the best commercial whitewater rafting in the world. You can hike around the falls, try zip lining, or enjoy the incredible bridge swing.

Those seeking more leisurely activities can take sunset cruises along the river with champagne and snacks included, meander through the vibrant local Livingstone Market, or discover the region's history and archaeology at the Livingstone Museum.

On arrival at Livingstone airport, your driver will meet you and transfer you to Protea Hotel where you will stay for three nights. On the outskirts of Livingstone lies a hotel that is just as worthy of marvel as the epic natural wonder that lies next to it. Here, you'll find Protea Hotel by Marriott Livingstone, and if you travel just 10 km from this stunning hotel, you'll find the epic Victoria Falls or, as the locals affectionately call it, Mosi-oa-Tunya, "the smoke that thunders." It's a hotel that complements your travel style. Protea Hotel by Marriott Livingstone has deluxe rooms with electronic door locks, digital safe, writing desk, free Wi-Fi access, international plug points, hair dryer, satellite television, direct dial telephones and more.

Day 2: Botswana! Chobe National Park

The ultimate safari experience unfolds on a day trip to Chobe National Park in Botswana, which boasts the world's largest elephant population. The game cruise on the Chobe River brings you close to brilliant bird life, pods of wallowing hippos, primeval crocodiles, and elephants in their sheer number. The afternoon land-based safari heads deeper into the Park to spot the elusive big cats that call Chobe their home. A buffet lunch is included today.

Day 3: Mukuni Village Tour, Victoria Falls & Sunset Cruise

Mukuni Village is close to the border gate and is home to about 6,000 people from the Leya community, who have lived in the Falls area for many generations. Guides are available to take you through the village to get an insight into the traditional lifestyle of rural Africans.

You will also enjoy a guided tour of Victoria Falls today. A view of the Victoria Falls is something you will never forget, and the best way to see them is on a guided tour. Discover how the Falls were formed and what local customs and traditions surround them. These tours are extremely informative and end with a visit to the local arts and crafts center.

In the evening, your group will experience an African Queen Sunset Cruise. The African Cruise Company fleet is made up of the impressive African Queen, a triple deck 70-foot catamaran and the slightly smaller, but equally luxurious, African Princess. Both offer the charming combination of panoramic views of the mighty Zambezi River at various times of the day, gracious hospitality and great river and birdlife sightings – creating unforgettable experiences that will take you back to an era when time stood still.

Day 4: Departure Home

Today marks the end of your stay in Livingstone. You will be transferred back to the airport for your onward journey and international departure home.

What's Included:

You Will Need to Provide:

4-Day, 3-Night All-Inclusive Tour starts at \$1,100. Contact Worldwide Navigators to book this extension or get more information.

FLIGHTS AND PRICES

Minimum Donation

Your generous donation helps to save and change lives every day

Your generous donation of **\$4500** will go toward the ongoing global relief to care for the underserved and vulnerable people of this community. As a member of this medical mission team, you will elevate the long-term impact of sustainable, capacity-building efforts that improve the health, wellness, and quality of life of those most in need. A small portion of your donation includes:

- Clinic supplies and medications for patients
- Clinic participation
- Transportation, accommodations, and meals as outlined in the itinerary

Donation Payment Deadlines

\$4300 due by March 30, 2026

\$4500 due by May 31, 2026

Early Bird Savings Opportunity

To be eligible, upload all your required documents and forms, and make a minimum of 50% of your donation payment by .

FLEXIBLE FLIGHT OPTIONS

Volunteer with Airfare

You may choose to book a flight with us for an additional fee. Details on the available flight routing and US departure city will be announced on . Airport transportation to and from the team's accommodations are also included with this option. Depending on your departure city, you may still need to purchase another flight in addition to this one. After this flight has been booked, you may contact our travel agent, Worldwide Navigators, for assistance booking any necessary additional flights.

Benefits of Flying at a Group Rate

- Travel with other members of your team on select routing
- Fly on a group ticket at a guaranteed rate
- Transport to and from the airport included

Volunteer without Airfare

Many team members choose to book their flight(s) to and from the mission location independent of IMR. This is a great option if you would like to extend your stay in the area to tour and explore, or if the routing from your home airport is more feasible for you. If you choose to fly independently, please note that your transportation in between the airport and the team's accommodations will not be provided. This will need to be arranged separately. Our partner for travel, Worldwide Navigators, would be happy to assist you in coordinating flights and/or transportation. You can contact them at travel@worldwidenavigators.com.

Benefits of Flying Independently

- Extend your stay and customize your dates of travel
- Choose your departure location
- Customize your class of service

Featured Enhancements
